
I've Been Lost

G *C* *D* *G*
I've been lost, I wandered far and could not see the truth

C *D*
Light the way for me

G *C* *D* *G*
Lord I pray my every step will bring me close to You

C *D*
Help me to believe

Am *C* *Em*
You were crucified and died, opened arms of mercy wide

D
Gave everything for me

C *G* *Em* *D* *D*
Send your Spirit, Lord, pour Your Spirit over me

G *D* *Am*
Breathe Your life into these barren bones

C *G* *Em* *D* *C*
Wash my sin away, make my heart as pure as snow

G *D* *C*
Lord I want to live for You alone

When the days of life are spent and Heaven calls me home
You'll dry my every tear
I will not fear to bow in worship at Your holy throne
And praise You countless years

G *B7* *Em*
O God, You have seen what I have done

Am
I need Your loving mercy

G *B7* *Em*
Change me, for You see what I've become

Am
My Father please for give me
