
Your Grace

C *C/F* *C* *F/C*
When I feel surrounded, hard pressed on all sides

Am *F2* *C/G* *G*
Glinting in the darkness I see heaven's light

C *C/F* *C* *F/C*
When I'm persecuted; struck down in my prime

Am *F2* *C/G* *G*
I am not abandoned for You're close beside

Fmaj7 *G6* *Fmaj7* *G6*
Bind me up Lord in Your healing presence

Fmaj7 *G6* *Fmaj7* *G6*
In your dwelling place I rest

C *Dm* *Cmaj7/E* *F* *C*
Your grace is all I need You give me strength when I am weak

Dm *Cmaj7/E* *F*
I put my hope in You

When my heart is aching may I know Your peace
Let me hear Your whisper and help me believe
That Your Spirit in me is my guarantee
Every work You started I know You'll complete

Though I'm burdened I will look to heaven
For your promises are true

Your grace is all I need, You give me strength when I am weak
I put my hope in You
Though battles rage inside I walk by faith and not by sight
I give my life to You
